Deadline to submit the video to NAFIS: September 1.

Schools can either send the video to NAFIS as an mp4 (preferred) or upload the video to the school's own YouTube/Vimeo/etc video sharing platform and send NAFIS the link to access.

Thanks Tom!

Nicole,

I will share with FLISA members at our June Summer meeting and then follow up with an e-mail to all of our members.

When do you need this by and how would a school submit (I'm just guessing there's a google drive or something for such a large file.)

Let me know.

Thanks,

Tom

Tom,

Could you forward the request to the rest of FLISA? We'd like a 2 minute video particularly focused on one school's story and how they use Impact Aid.

We're planning to use some clips from the videos you sent previously in our new promotional video.

Thanks,
Nicole

Nicole,

I can forward to the rest of FLISA, but we have two videos on our website which do a pretty good job.

www.flisa.org

This is a longer version:

<https://www.youtube.com/watch?v=tL20ZNdAfFk&feature=youtu.be>

	<p>FLISA Federal Lands Impacted Schools Association</p>
□	<p>Education for Children, Fairness for Taxpayers</p>
□	<p>www.youtube.com</p>

And this is our shorter one:

<https://www.flisa.org/media/>

Let me know if any of those work for you.

Thanks,

Tom

Tom,

Could you request Faces of Impact Aid videos from FLISA members? We'd like to show a video from Federal Lands at the fall conference.

The *Faces of Impact Aid* videos are around 2 minutes (ideally less than 3 minutes) that briefly describe the school district and the students it serves and explains/illustrates why Impact Aid is important to the district. This is a good example (albeit, a bit lengthy): [Impact Aid at Baboquivari Unified School District HD - YouTube](#).

Thanks,
Nicole
